ADDITIONAL INFORMATION

Our new Coastal collection is designed to withstand whatever the weather can throw at it. It is constructed from solid brass which will acquire a natural patina over time that adds to the charm of the material. Suitable for use by the coast and other exposed areas, the collection combines outstanding durability with striking design.

CARE INSTRUCTIONS

Please note the patina caused through aging can be polished-back to restore the original finish if desired. We recommend that the product is rinsed with fresh water periodically to remove any excess salt deposits. A ten-year warranty is offered on all products within the Coastal collection, except those that have integral LEDs or drivers, which are subject to our standard three-year warranty.
